Disbursements are costs related to your matter that are payable to third parties, such as Land Registry fees. We handle the payment of the disbursements on your behalf to ensure a smoother process. As these vary depending on the Sale or Purchase Price, you can get an idea of potential costs via the Land Registry website: <https://www.gov.uk/government/organisations/land-registry>

Stamp Duty Land Tax (SDLT)

The SDLT holiday ends on 31st March 2021 and SDLT calculation is subject to change. This depends on the purchase price of your property. You can calculate the amount you will need to pay by using HMRC's website: <https://www.gov.uk/stamp-duty-land-tax> or if the property is located in Wales by using the Welsh Revenue Authority's website: <https://beta.gov.wales/welsh-revenue-authority>

*Our fees assume that:

1. This is standard transaction and that no unforeseen matters arise including for example (but not limited to) a defect in title which requires remedying prior to completion or the preparation of additional documents ancillary to the main transaction.
2. This is the assignment of an existing lease and is not the grant of a new lease.
3. The transaction is concluded in a timely manner and no unforeseen complications arise.
4. All parties to the transaction are co-operative and there is no unreasonable delay from third parties providing documentation.
5. No indemnity policies are required. Additional disbursements may apply if indemnity policies are required.
